How did you hear about True Color Fabric Dyeing?
Have you used our service before? YES NO

DISCLAIMER: Our results are usually excellent and our experience with fabric and dye allows us to advise you well about the results that you can expect, but it is important to keep in mind that:

- We did not manufacture the item. Not all results can be predicted – age, condition, fiber content and prior or post care can influence
- Not all items are suitable for our dye process.
- This is a hot wash/hot dry process. Please consider if your items will shrink.
- Fabric content on labels is usually accurate, but not always.
- Sometimes we turn down a project.
- TRUE COLOR FABRIC DYEING is not responsible for unexpected results or lost or damaged items.
